

## Our Real Ale Train is running on 18<sup>th</sup> July 2026.

This year we are starting to serve ales a little earlier than usual, bars at Havenstreet and Ashy to open at 2pm.

This year there will be no ale served at Wootton, but if you jump on the train here you can get to Havenstreet and pick up your tokens for your ales and grab a pint or two there before you set off to Ashy Station where there will be a well-stocked ale bar, as usual, however, this year things are a little different – and we think you will like it!

Tokens taken at Ashy as usual, only ales and non-alcoholic ales and soft drinks available here, but if you want something different, the bar at Havenstreet will be fully stocked!

Ales will be served until 10pm and there will be a tram service running to get you back to Wootton after that point – see website nearer the time for services.

Ales available for this event will include:

Black Bear	RCH Pitchfork
Black Bear	Bearserker
Flower Pots	Knights Mild
Flower Pots	Busters Best
Monkey Brewhouse	Marmoset
Monkey Brewhouse	Lymington Special
Purbeck	Full Steam Ahead

With pubs closing left, right and centre – you won't want to miss this new venture for IOW Steam Railway at Ashy Station!

There will be music at Ashy, food will be available there and sausages available at Havenstreet.

Keep your eyes on social media and our website for more details as we release them!
